

PART TIME LECTURE OPENINGS IN EARTH SCIENCE

Recruitment #: 23003

Position

Part-time Lecturer (Openings in [Earth Science](#))

Effective Date

August 17, 2023 (Fall Semester); January 22, 2024 (Spring Semester)

Salary Range

Commensurate with experience and qualifications.

Minimum Qualifications

Master's degree (or equivalent) in Geological or Earth Sciences, or other physical science or engineering field. Demonstrated potential for effective teaching in lecture and laboratory sections of introductory geology, natural disasters, environmental geology, oceanography, Earth systems and global change. Commitment to and/or expertise in educating a diverse student population.

Desired/Preferred Qualifications

Demonstrated success in teaching, especially Introductory Geology, Earth Science, and Natural Disasters; Ph.D. in Geological or Earth Sciences, or other physical science or engineering field.

Duties

Teach undergraduate courses on a part-time basis. Required mode of instruction may include in-person, hybrid, online, and/or any combination thereof. Courses to be taught may include lecture and laboratory sections of Planet Earth, Earth Science for Teachers, Natural Disasters, Earth Systems and Global Change, Oceanography and some upper division courses.

CSULB seeks to recruit faculty who enthusiastically support the University's commitment to the academic success of all of our students, including students of color, students with disabilities, first generation to college, veterans, students with diverse socioeconomic backgrounds, and div

institution awarding highest degree. Applicants offered employment will be required to submit a signed SC-1 Form and an official transcript.

Application Deadline

Position open until filled (or recruitment canceled). Review of applications is ongoing for Fall and review of applications for Spring will begin October 31. The Applicant pool expires annually on June 30.

Applications, required documentation, and/or requests for information should be addressed to:

Department Chair
California State University, Long Beach
Department of Earth Science
1250 Bellflower Blvd, Long Beach, CA 90840
PHONE: (562) 985-4809
EMAIL: geology@csulb.edu

Employment Requirements

A background check (including a criminal records check) must be completed satisfactorily before any candidate can be offered a position with the CSU. Failure to satisfactorily complete the background check may affect the application status of applicants or continued employment of current CSU employees who apply for the position.

The person holding this position is considered a "mandated reporter" under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 Revised July 21, 2017 as a condition of employment.

CSULB is committed to creating a community in which a diverse population can learn, live, and work in an
