7 **Timely Graduation for Undergraduate Students**

8 This policy statement was recommended by the Academic Senate on April 29, 2010  
9 and approved by the president on May 17, 2010.

10 In order to provide access to the university's undergraduate major and minor programs for as many qualified students  
11 as possible, this policy is established to ensure timely graduation of undergraduate students.

12 Students may earn up to 120% of the number of units required for the degree in their declared primary major. Any  
13 additional degree objectives (e.g., majors, minors, certificates) must be able to be completed within the additional units
