

Overview of Differences Among Degrees in School Psychology

Developed by the National Association of School Psychologists, April 2017

	Masters-Level	Specialist-Level	Doctoral-Level
Degree Titles (Examples)	x M.A. (Master of Arts) x M.S. (Master of Science)		

Career Options in School Psychology Limited to none. May qualify for related credentials (e.g., educational diagnostician or psychometrist), or a school psychology credential in one or two states. The specialist-level degree is considered the entry-level degree in school psychology. No state or territory requires more than a specialist-level degree. A specialist-level
